Pennsylvania joins National High School Rodeo Assn.

In October of 1989 Pennsylvania joined the National High School Rodeo Association as the 40th state. High School Rodeo is open to any high school student in the grades 9th thru 12th. The students must also be in good academic standing.

High School Rodeo offers students the chance to compete in all rodeo events at their own level. It also stresses good sportsmanship, leadership, and animal care.

The association was invited to put on a demonstration rodeo on the opening day of the Pa. State Farm Show, and the audience in the large arena liked it so much that we were asked to come back next year and put on a full rodeo.

So far this year we held 3 rodeos in the area and were very well received by the spectators.

The last rodeo we held on April 7th and 8th with 86 entries, the most students to attend any of our rodeos to date.

The dates for the next rodeos are-May 5th and 6th at 2:00 p.m. at the York Springs Equestrian Center, Rt 15/34 mile south of York Springs exit, then left the town South Ridge Road. The state Finals will be held on June 30th and July 1st at the David Martin Rodeo Grounds, 1607 Martin Rodeo Grounds, 1607 Hanover St., Gettysburg, Pa starting at 7 p.m. each night.

The top 4 in each event at the finals will go on to compete at the national finals in Shawnee, OK. Scholarships, saddles, belt buckles and many more awards will be given to the top 10 winners in each event.

Keep these dates in mind and come out and watch the Pa High School Rodeo Assn. in action.

For more information, contact Ronda Merrilis (Sec.) 697-5537 after 5 p.m.

Driver licenses suspended for drug crimes

The Pennsylvania Department of Transportation (PennDOT) has notified county courts around the state to begin reporting drug convictions to the department so that offender's driving licenses can be suspended.

A new state law (Act 92 of 1989) mandates a license suspension for any person convicted of possessing, selling, delivering, or giving away any controlled substance, whether or not a motor vehicle was used.

"This law will give us yet another weapon to fight the war on drugs on all fronts," said John J. Zeghy, PennDOT's deputy secretary for safety administration.

"Revoking an offender's driving privileges will make it difficult for that person to continue to traffic in illegal drugs."

First offenses mandate a 90-day suspension; second offense a one-year suspension, and third and subsequent offenses, a two-year suspension.
